Minutes from the March 16, 2026 meeting were presented. Motion to approve minutes was made by Todd Webb, seconded by Gary Jackson. Board approved.

Old Business

There was no Old Business to discuss.

Department Report:

- Jay Thompson updated the Board on the past month's activities. The March Monthly Report of Operations (MRO) was made available for Board review. Effluent was discharged and permit limits were met. High influent flow readings suggested that the new meter was out of calibration. Gripp, Inc. planned to come check calibration and replace the effluent sensor that was showing signs of failing for labor cost only with a new old stock sensor.
- Past due accounts were discussed. Gary Jackson distributed the March 2026 Financial Reports for the Board to review.

New Business

- Jay presented a Willingness to Serve Letter requested for a proposed development at 412 HWY 62 for Mustang Cove (12 lots). Todd Webb motioned the approval to sign the Willingness to Serve Letter, seconded by Austin Wiggam. Board approved.
- Jay provided information on upcoming Asset Management Plan requirements and mentioned that it did not apply to Regional Sewer Districts according the Indiana Utility Regulatory Commission website.

A motion was made to approve March 2026 claims by Todd Webb, seconded by Gary Jackson. Board approved.
